

## Announcing (ISSWC2018)

### The 7th International School Social Work Conference

International School Social Work Conference is the largest international conference in the field which organized one session every two years by school social work professional organizations in different countries or regions.

The 7th International School Social Work Conference will be held in [Beijing, China, from August 24th to 27th, 2018](#) for a period of 4 days. The meeting is organized by **China Association for Social Work Education School and Youth Social Work Professional Committee**, and the **Tsinghua University School of Social Sciences**, and co-organized by China Youth University of Political

Studies, **Zhongshe** Social Work Development Foundation as well as Cross-Strait Tsinghua Research Institute etc. The theme of the conference is: "[Global Partnership, Holistic Care, Co-creating a better Future](#)". The Congress will showcase and exchange the development and research findings of school social work in various countries through pre-conference workshops, keynote addresses, panel discussions, poster exhibitions and visits. Build an academic platform for school social workers around the world to learn, communicate and share with each other.

#### **I. Topics for the conference:**

1. Characteristics and achievements of teaching social work in schools in different countries and regions
2. Model and case analysis of School Social Work Practice
3. The practical experience and problem analysis of School Social Work
4. A theoretical study of social work in schools
5. School bullying and social work intervention
6. Moral education and social work in schools
7. Home-school-community linkage practice and research

#### **II. Scope of participation and invitation to attend the meeting**

1. This meeting is open to global school social work

professionals, and paper submissions are preferred. The organizing committee will make acceptance decisions based on the submitted papers/abstracts with required registration.
